BOARD OF DIRECTORS

4.1 Board role, size, and compensation

The board is responsible for overall policy and direction of the association, and may delegate day-to-day operations to staff and committees, if any. The board shall consist of at least 4 and no more than 15 directors. No more than two board members – either officers or at-large members – may have the same employer or substantial shared financial interests per CSSSA policy. Within these limits, the board may increase or decrease the number of directors serving on the board, including for the purpose of staggering the terms of directors. The board receives no compensation other than reasonable expenses.

4.2 Terms and eligibility

All board members shall serve two-year terms and are eligible for re-election subject to the limitations in the next section. The term of office shall be considered to begin January 1 and end December 31 of the second year in office, unless the term is extended until such time as a successor has been elected. In order to be eligible to serve as an officer on the board of directors, the individual must be 18 years of age or older and be a member in good standing.

4.2.1 Re-election limitation for current officers of the board

Officers of the Board are eligible for re-election for up to three consecutive terms in the same position.

4.2.2 Special eligibility for candidate for president

All candidates for the position of president of the board must have served as a director for at least one election cycle. This requirement may be waived by a three-quarters majority of the directors.

4.3 Meetings and notice

The board shall meet at least quarterly, at an agreed upon time and place, and may be conducted electronically. An official board meeting requires that each board member have written notice at least two weeks in advance. Email with confirmed receipt or electronic calendar notification with ability to confirm constitutes written notice.

4.4 Board elections

New directors and current directors shall be elected or re-elected by a quorum of the voting members at the annual meeting. The Governance Committee shall announce the slate of new and continuing board members at the annual meeting. Directors will be elected by a simple majority of members present at the annual meeting. Under extraordinary circumstances, and at the board's majority discretion, directors may be elected through an online vote conducted

within one month of the annual meeting. Online elections must be concluded within 30 days following the annual meeting or before the end of the calendar year, whichever comes first.

4.4.1 Appointment of ex officio board members

For purposes of organization continuity, the board may appoint a departing officer to continue as a board member within the Governance Committee. The term of an appointed board member so appointed shall be no more than two years, at which time the board member is subject to re-election along with any other board member with an expiring term.

4.5 Election procedures

A Governance Committee shall be responsible for nominating a slate of prospective board members representing the association's diverse constituency. In addition, any member can nominate a candidate to the slate of nominees. All paid-up members will be eligible to vote for each candidate.

4.6 Quorum

A quorum for a meeting of the board is at least fifty percent of board members and no fewer than three board officers for business transactions to take place and motions to pass.

4.7 Officers and duties

There shall be at least four officers of the board, consisting of president, vice-president, secretary, and treasurer.

The *president* shall convene regularly scheduled board meetings, shall preside or arrange for other members of the board to preside at each meeting the following order: vice-president, secretary, treasurer.

The *vice-president* is the first designated substitute for the president at board meetings.

The *secretary* shall be responsible for keeping records of board actions, including overseeing the taking of minutes at all board meetings, sending out meeting announcements, distributing copies of minutes and the agenda to each board member, and assuring that corporate records are maintained.

The *treasurer* shall make a report at each board meeting. The treasurer shall chair the finance committee, assist in preparation of the budget, help develop fundraising plans, and make financial information available to board members and the public.

4.8 Vacancies

When a vacancy on the board exists mid-term, the secretary must receive nominations for new members from present board members two weeks in advance of a board meeting. These nominations shall be sent out to board members with the regular board meeting announcement,

to be voted upon at the next board meeting. These vacancies will be filled only to the end of the particular board member's term.

4.9 Resignation, termination, and absences

Resignation from the board must be in writing and received by the secretary. A board member shall be terminated from the board due to excess absences, meaning absences from more than fifty percent of board meetings in a year. The board president is empowered to excuse directors from attendance for a reason deemed adequate by the board president. The president shall not have the power to excuse him/herself from the board meeting attendance and in that case, the board vice president shall excuse the president. A board member may be removed for other reasons by a three-fourths vote of the remaining directors.

4.10 Special meetings

Special meetings of the board shall be called upon the request of the president, or one-third of the board. Notices of special meetings shall be sent out by the secretary to each board member at least two weeks in advance.

4.11 Informal action by the board of directors

Any action required or permitted to be taken by the board of directors at a meeting may be taken without a meeting if consent in writing, setting forth the action so taken, shall be agreed by the consensus of a quorum. For purposes of this section an e-mail transmission from an e-mail address on record constitutes a valid writing. The intent of this provision is to allow the board of directors to use email to approve actions, as long as a quorum of board members gives consent.

The Governance Committee can also override a decision by the Executive Committee with a two-thirds vote.

The Governance Committee is responsible for setting association policy for membership and directorship.
